As a psychologist, I know there are crazy people in a good way and crazy people in a bad way. From my life experience, I also know there are good pains in the ass and bad pains. Harold Mollin is definitely crazy in the good way - never met someone so crazy about tennis. [...] Most importantly, from an educational viewpoint, Harold sincerely enjoys the progress all his students are making in their tennis. Life, not only tennis, is all about beating/winning from yourself. Harold is certainly making a significant contribution to my ambition of becoming a worldwide top 100 player in the ITF Seniors (50+) circuit! - Vittorio B. Psychologist, PhD
