

ACCIDENTAL SWINGERS (Hotwife Sharing): A Tale of Slutty Hot Wife Sharing

Oops! On a trip to New York City, Elena and Matt ask about dance clubs at the front desk of their hotel. Wires get crossed, and they wind up at Eden a Swingers Club. The effect it has on Elena is an electric shock. Everything she thought about pleasure and propriety is turned inside out. She has a wonderful marriage! They have two good kids, good jobs and a nice life! What more could anyone ask for? Except. The uninhibited, outright slutty behavior of the other women there, doing things in public that you would only see online throws a switch. Theyre such dirty girls! Filthy, smutty thoughts she never allowed herself to have consume her. Could she be so explicit in a club? Why does the idea turn her on so much? At Club Eden, Elena experiences the most intense pleasure shes ever had with Matt. When Sophie hits on her that night, her bodys response surprises her and her brain goes haywire. Shes never had lesbian fantasies! Shes gripped in a way thats completely new. She cant get Sophies image out of her mind! Her luscious, swollen wet lips, her sculpted face, consume Elena. She wants to clutch Sophies cascading hair in her hands, and explode to overwhelming heights of pleasure. She cant ignore this this craving. She has to go back to Eden. What would her husband think? Will the idea of wife watching her be a turn on or a point of no return? Will her husband share in her first time lesbian encounter? This isnt the everyday idea of swinger wife swapping its more wife sharing. Isnt it? They schedule a visit back to Club Eden for New Years Eve. Will they leave all their inhibitions behind and trust each other and their marriage in this adventure? Will they be able to dive into the Swinger Lifestyle? And if they do, can they get back out? Will they want to?
