

## Carnival Girl (Modern Erotic Library)

Rebecca was a small town girl awed by the bright lights and noises of the traveling carnivals. Barely out of high school, she is seduced by Jimmy, a carnival barker, and eagerly goes on the road to see the world. Little did the innocent young woman guess the depths of debauchery Jimmy and the carnies would lead her into. She doesn't understand why Jimmy likes to tie her up so much, and thinks the spankings are a kinky, exciting thing, at first. But soon she's servicing Jimmy's friends, both male and female, and as her inhibitions are torn away she becomes the sexual plaything of anyone who wants her. Instead of selling sodas she becomes part of the carnival's darker, little-talked-about exhibits, performing lap dances in a dark tent, and staring in a show of depravity and bondage. It's a life far worse than her parents' worst nightmare, but it's a dark and terrible thrill to Becky.
