

Christmas Comfort and Joy: An Uplifting Coloring Book

Take a break from the holiday bustle to color Christmas with this collection of beautiful and inspiring illustrations. Artist Christina Rose has designed scores of beloved holiday images that invite colorists of all ages to unwind and unleash their imaginations. Boldly patterned ornaments, Christmas trees and packages all need decorating. An illuminated church beckons to worshippers and colorists. Other artwork goes beyond the seasonal trappings to creatively portray the journey of the three magi, the nativity scene and the lowly creatures that first stood watch in that humble stable. Accompanying each illustration is an inspirational verse taken from a carol, a Bible reading or an uplifting quote about this special holiday. Printed on luxe paper with perforated pages, this adult coloring book is perfect for curling up with a hot cup of tea and sharing the coloring designs and the memories they evoke with a loved one.
