

Stravaganza - City of Flowers

Sequel to City of Masks and City of Stars, the narrative moves to the Talian equivalent of the city of Florence, where beauty and danger walk - as ever - hand in hand. The focus this time is on the new Stravagante, Sky, whose talisman is an ornate and delicate blue glass bottle. Sky is propelled right into the midst of a deadly feud between the di Chimici and Nucci families, who think nothing of sliding a knife between a mans ribs for revenge ... A breathtaking and thrilling drama with a very special kind of magic, continuing the stories of Luciano, Arianna, Rodolfo, Falco and Georgia, which fans will sieze upon with glee.
