

## A Stuttering Mail Order Bride for the Hotheaded Cattle Wrangler

Love and laugh with the girls of Benson Creek, as these Mail Order Brides overcome personal challenges to find new lives and good men to share them within the Western frontier. Bound for the West as a Mail Order Bride, Nantucket Murray is carrying a secret that could end her chance for a new life in Benson Creek. Gilbert Snyder had sounded kind enough in his letter, but how kind will he feel when he discovers his new bride can barely speak without stammering? All too familiar with the sting of angry words, Nan has hoped for a gentle man with which to start her new life. One who will not mind her stammer. So when her first sight of her husband-to-be is him in a fight in the dusty street, she's ready to turn around and run straight back East. But this volatile man also shows moments of great kindness, and she wonders if perhaps he can be trusted after all. Gilbert Snyder has finally gotten the ranch he's always dreamed of, but his Mail Order Bride has left him confused and dismayed. He may be loud, but he's not dangerous, yet she seems to shy away from his very words. If he's not the man for her, then maybe he needs to let her go to find someone who is. Can Gil find a way to calm his temper, and can Nan summon the strength to help him? Find out in this fourth book in the Benson Creek Mail Order Bride series!
