

But it Only Happened Once

How do you plan for a bright tomorrow? You make healthy choices TODAY! Not tomorrow not next week but NOW! GRAB THIS BOOK and put it in your back pack! Long after you turn the final page, you will remember the people in this book. They were kind, good people who made a mistake. It only takes one mistake and your world can take a different path. Read it and weep, and read it to learn! This is THE book your friends will be discussing! It is TOO BOLD, TOO DARING, TOO REAL! Brutally honest, this unthinkable book goes where the others would not dream- straight to the issues! With hush-hush subjects and unbelievable situations, you will be fascinated, to say the least! Who says Life Experiences have to be negative? It does not take a genius to live life in a healthy way only good old-fashioned common sense!
