

The Future of the Written Word: Always Write Blog Posts from 2010

This collection of blog posts from author David Derricos Always Write Blog covers developments pertaining to e-books, e-readers, the publishing industry, and Derricos own writing endeavors. It includes all his blog posts from the year 2010, a total of 103 posts spanning over 65,000 words, plus pictures. The posts cover a variety of topics, but the main ones include: - E-Books: e-book sales figures, availability, reviews, and features (such as lending, text-to-speech, and DRM). -E-Readers: news, tips, and info on e-book reading devices, focusing on Amazons Kindle (mainly the Kindle 2 and Kindle 3), with coverage of Barnes & Nobles Nook, Sonys E-Readers, the Kobo E-Readers, and Apples iPad. -Publishing: commentary on the state of book and e-book publishing, and its future, including discussion of e-book pricing, the agency model, and the future of bookstores and printed books. -Writing: details about the self-publishing indie movement in general and my own writing endeavors in particular, including tips for fellow authors on formatting, retailing, and marketing. However, this Kindle e-book is formatted and proofread specifically for the Kindle, and includes a table of contents, chapter waypoints in the locations bar, all images, and the links to other included blog posts have been changed to internal links for your convenience.
