

His Wild Time with the Lookalikes: An Explicit Taboo Erotic Story

They looked so much alike, everyone thought they must be tw*ns, but Sandy and Sarah were just best friends who happened to look shockingly similar. James knew it was wrong. Sarah was his wife, after all. But who could resist the allure of two girls who looked so very much alike trying to seduce him by kissing, touching, and much more right before his very eyes? Every man dreams of a thr**some, especially with tw*ns, and James could not resist the temptation to make his fantasy come true.
