

Savannah From Savannah: The Logan Creek Series, Volume 5

Book five in The Logan Creek Series - Shelly Templeton and Mabel Barton have been friends for eons. After their adventures in Orlando, Florida, a year ago, they're on the road again to visit a friend they met there named Savannah St. James, who lives in (you guessed it) Savannah, Georgia. The fact they were introduced during a hurricane should've been a heads-up that things could get stormy whenever they're together, but hindsight, as they say, is 20/20. Between Mabel's interest in ghost-hunting in one of America's most haunted cities and their friend Savannah's shocking disappearance, things get exciting from the outset. These two long-time Texas friends find themselves feeling much further from their little hometown of Logan Creek, Texas, than they'd like. Good thing Shelly's new motto is Have Gun Will Travel.
