

## Paul Brown: The Rise and Fall and Rise Again of Footballs Most Innovative Coach

Paul Brown is a football legend, yet few fans know the story of this very private man. This book follows Browns life and career, from his childhood and college years through his domination as a coach on every major level high school, collegiate, and pro to his painful exile from a sport he essentially helped create. In relating the story of Paul Brown and his gridiron innovations, Andrew OToole tells the story of modern day football.
