

The Maid (Lesbian Erotica) (Sapphic Service Book 5)

Sapphic Service delves into what happens when women get more than they bargained for when encountering the service industry. From nimble mechanics to mile-high stewardesses, one thing is for certain: a smile won't be all you get with your order! The Maid (6000 Words) Since entering a loveless marriage in the name of money, socialite Collette has only wanted for one thing in her life - another woman. That's when new maid Maria walks into her life, and the two hit it off so quickly that Collette barely sees anyone coming! Things are about to get even dirtier than they were before Maria waltzed in with her ruffled uniform and feather duster! This work depicts graphic lesbian relations and naughty, naughty words. Not intended for minors or those who get miffed at a lack of men.
