

Chosen: Part 3

Bianca Jamison thinks she's just an ordinary teenager... until she learns her father is Grand Master of The Society, a secretive but powerful sect with some very unusual rituals. Forced to marry Xavier Hawthorne, the man who will succeed her father as Grand Master, Bianca's wedding ceremony included the ritual claiming of her maidenhead in front of two dozen of the highest ranking members of their secretive organization. Bianca moves to Xavier's home in Connecticut, but it is not without its share of growing pains. On their European honeymoon, Bianca experiences another ritual... and this time it's not just her husband who participates.
