

## The Demon You Know: A Demon Hunting Soccer Mom Short Story (Demon-Hunting Soccer Mom)

When daughter Allie finds herself knee-deep in demons, Demon Hunter Kate Connor must come to the rescue in this first short story featuring not only Kate, but fourteen year old Allie, too! (This story was originally published in *Those Who Hunt Monsters*, published by Edge Books in 2011) \*\*Bonus! Contains an excerpt from Julie Kenner's award-winning novel, *The Cats Fancy*\*\* About the series: The Demon-Hunting Soccer Mom series features Kate Connor, a retired demon hunter and mom of two forced back into business when a demon crashes through her kitchen window. *CARPE DEMON* (book 1) hit multiple bestseller lists and is currently in development as a feature film with 1492 Pictures. Praise for *Carpe Demon*: This book, as crammed with events as any suburban moms calendar, shows you what would happen if Buffy got married and kept her past a secret. Its a hoot. New York Times bestselling author Charlaine Harris What would happen if Buffy the Vampire Slayer got married, moved to the suburbs and became a stay-at-home mom? Shed be a lot like Kate Connor, once a demon/vampire/zombie killer and now a glorified chauffeur for drill-team practice and Gymboree play dates in San Diablo, Calif., thats what. But in Kenner's sprightly, fast-paced ode to kick-ass housewives, Kate finds herself battling evil once again. -- Publishers Weekly I loved *Carpe Demon*! Ninety-nine percent of the wives and moms in the country will identify with this heroine. I mean, like who hasnt had to battle demons between car-pools and playdates? -- New York Times bestselling author Jayne Ann Krentz
