

## Simple Obsession: Young Adult Mystery The Lies Within Series

Everything's connected. Everything. Amber, Rebecca, Jacob. Ethan, Bailey. And Madison. Most especially, Madison. Amber had uncovered secrets since she began her crusade to find her missing friend. Who was Madison, really? What was she doing on the call girl website? Did she meet the wrong person and end up kidnapped? Hurt? ...Dead? With each thread Amber pulls, another secret tumbles out. With each new secret, more heartache and danger are uncovered. Someone knows where Madison is. Whoever they are, Amber is determined to keep pulling until she unravels the entire mystery in the second installment of the thrilling Lies Within Series. Summary: Amber has discovered enough about Madison's secret life to know that her worries aren't unfounded. Madison's parents are as unconcerned as everyone else, but the determination to find her friend is a driving need that pushes Amber further every day. Amber hopes that Open Realizations, the website that had taken up much of Madison's secret life, will lead to the answers she desperately needs. It makes sense to Amber that someone on the site for sexy call girls will know where Madison went, and what happened to her. While things continue to get more complicated in Amber's life, Madison's obsession for Open Realizations becomes Amber's own. With her only lead being a man from the site who used Madison's services, Amber knows what she has to do. After creating a false profile of her own, Amber sets a trap for the mysterious Lenny and waits. Will she find Madison, or does she risk becoming tangled up in a net that's already caught other call girls on the Open Realizations site including her missing friend?
