

The Gift (Audio CD) (The Prairie State Friends)

Follow the heart-wrenching story of Adam Beachy, whose mother walked out on him and his family and away from the Amish faith. Now he balks at the idea of ever marrying and having a family of his own. But when tragedy strikes, Adam is suddenly a father figure to his three nieces and finds himself needing a wife. Despite their differences over her practice of reflexology, Leah Mast seems the best option to fill that role. Can they make it work in a modern-day marriage of convenience?
