

With Every Drop of Blood: A Novel of the Civil War

A vivid portrayal of the Civil War, and a look at the reasons behind the conflict. Johnny Heller, 14, convinces his mother to let him join a wagon train carrying food to Confederate soldiers. Along the way he is captured by Blue Coats, and a black Union soldier insists that Johnny teach him to read. Brought up to believe that black people are inferior, Johnny deliberately tricks him. But as they get to know each other an uneasy alliance develops, followed by a friendship that surprises them both.
